

Project: _____

Date: _____

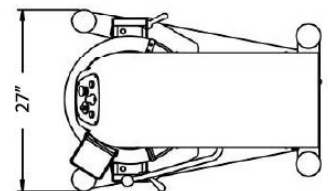

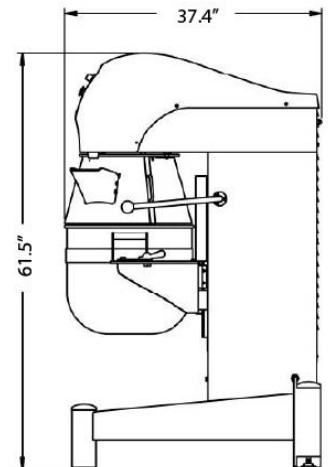

Specified Voltage: _____

PLANETARY MIXERS

PL60NVF

- 1 stainless steel bowl 60 L
- 1 whisk with fine stainless steel wires
- 1 beater in stainless steel
- 1 hook in stainless steel
- 1 scraper in stainless steel
- Body in epoxy painted steel grey color
- Timer
- Power: 3 kW
- Motors and Electrical Equipment Compliant. With the UL/CSA Regulation
- Fixed rotating plastic safety guard
- Stainless steel grid safety guard PL60 (for non-EU countries only)
- Speed: Variable
- Control Panel: Electromechanical
- Bowl Lift: Manual
- Voltage (V/PH/Hz): 208 - 220/1/1 - 60
